### 7) Cannery Ballroom Transformed for Julie + Nicholas' Elegant Summer Evening

**Married: July 10, 2011**

A simple, though lovely, ceremony at Scarritt Bennett would hardly have prepared these guests for the amazing site they would see at the Julie and Nick's reception. The Cannery Ballroom was transformed (in fact, you can watch the transformation on [Dove's blog](#)). Intricate details made the room jaw-dropping: crystal and wrought-iron chandeliers, flowers hanging over and overflowing on tables, monogrammed boxes, custom pieces, and even a suspended cake by Jay Qualls.
