*This was the first and only "From Inspiration to Wedding" that we've ever had on Style Me Pretty. With a style and design that was as gorgeous as it was unique, the result absolutely blew us away. [TO SEE THE FULL WEDDING, CLICK HERE.](#)*

*I can honestly say that I have never seen an event so lovely. And how did Sarah manage to squeeze in all of that gorgeous bubble gum without it feeling over-the-top or girly? Truly amazing.*
