Autumn Bagwell & Scott Zuckerman

"I wanted my dress to be simple and elegant. We also wanted our bridal party to feel comfortable and beautiful at the wedding. I was able to go to the Jenny Yoo store in NYC with my best friend to pick out the perfect shade of blue."

"Before we left for the evening, Details Nashville made a same day edit video we got to watch with our guests. Then we went out in a sparkler send off, dancing all the way!"
