# WORD CLUSTER SORT

WITH ANGELA PROFFITT, TRAINED FACILITATOR

## STEP 1 VISUALIZE YOURSELF

Take a look at the character cards that are orange, gold, blue and green. Review each of the illustrations, and arrange the cards from the one most like you to the one least like you.

## STEP 2 READ ABOUT YOURSELF

Now rank them in the boxes using "4" for the one most like you, "3" second, "2" third, and a "1" for the card least like you.

## STEP 3 DESCRIBE YOURSELF

In the section with rows of word groups under the color cards, working one row at a time, rank each word group in the boxes, using "4" for the group most like you down to a "1" for the word group least like you.

## STEP 4 IDENTIFY YOUR TRUE COLORS

Now, total the columns, including your cards' ranking (be sure to include the top number). Your highest score indicates your primary or brightest color; and the lowest score represents the color least like you.

## STEP 5 CONNECT WITH YOUR FACILITATOR

Contact Angela Proffitt to schedule a call or zoom to discuss the meaning behind all of this and how it can take your team to the next level.
